Keep safe by staying SMART online:

S SAFE Keep safe by being careful not to give out your personal information to people online.

M MEETING Meeting someone you have only been in touch with online can be dangerous.

A ACCEPTING Accepting emails or opening files, pictures or texts from people you don't know can lead to problems.

R RELIABLE Remember that people online may not be who they say they are, and so online friends are really strangers.

T TELL Tell your parent or carer if someone or something makes you feel uncomfortable or worried.

To find out why the SMART rules are important visit www.chatdanger.com. Help others to see how to stay SMART online by downloading and using the rotating SMART banner free from this site.
